CMAC Workspace Fellowship Application

Limited to Doctoral Students. Please indicate the semester you are applying for:

Fall 20____

Winter 20____

Summer 20____

Workspace Fellowships at the Center for Mind and Culture (CMAC) are granted to doctoral students on a semester basis. Due to the fluctuating and limited number of workspaces, students who have been granted a workspace in the past are not guaranteed a workspace and must reapply prior to the start of each semester. While there is no requirement for hours, workspaces not regularly used by their assigned fellow may be re-assigned based on need.
